Licensing of Aquatic Venues - 216-RICR-50-05-4

Instructions: Select from the two options below and then fill out the attestation on page 2 completely. Forms without appropriate signatures will be considered incomplete and returned to the applicant.

The Rhode Island Department of Health, Center for Drinking Water Quality (RIDOH) has reviewed and approved the construction of/alteration to the subject Aquatic Venue on the plan entitled _____.” This approval included all conditions in RIDOH’s preliminary approval letter dated _____ and required all work to be completed in accordance with the following:

- (1) Licensing of Aquatic Venues, 216-RICR-50-05-4; and
- (2) 2018 Model Aquatic Health Code, Code language, 3rd Edition, July 2018; as well as NSF/ANSI Standard-14, -50, and -61, as applicable.

OR

The Rhode Island Department of Health, Center for Drinking Water Quality (RIDOH) has reviewed the Aquatic Venue Design Compliance Form provided by the applicant’s/licensee’s hired Professional Engineer and determined that the Professional Engineer Signature was included in all required locations per 216-RICR-50-05-4.4(D)(2) and 216-RICR-50-05-4.4(E), demonstrating conformity with all applicable state and federal laws and regulations.

Upon completion of construction/alteration, the following attestation must be completed and stamped by a Rhode Island-Licensed Professional Engineer, signed by the applicant/licensee, and submitted to RIDOH for approval. Upon approval, RIDOH will issue a final approval for licensure and/or operation. Please note that RIDOH may, in its sole discretion, determine upon future inspection that the construction/alteration does not appear to be in accordance with the conditions of the preliminary approval letter and/or (1) or (2) above. In this event, the applicant/licensee will be required to correct any and all deviations from the approved plan at the applicant’s/licensee’s expense.
