Rhode Island Department of Health
Office of Healthy Homes and Environment
Room 206 - 3 Capitol Hill
Providence, RI 02908-5097

1. \$1,950.00 (One thousand nine hundred and fifty-dollar) license fee. Payment should be submitted in the form of a Check or Money Order, made payable to **General Treasurer, State of RI**
2. Completed, signed Supervisor application(s) with required documentation and fees as specified in the Site Supervisor application.
3. Attachments as specified below

Attachments:	1. Permanent Workers (Optional) – Provide the name(s) and license number(s) of each prospective Asbestos Worker under your employ.
	2. CPR/First Aid Personnel: - Provide name(s) of the individual(s) certified in CPR and Basic First aid. Attach a copy of the current training certificate(s) of successful completion of the appropriate CPR and/or First Aid Course.
	3. Asbestos Abatement Projects: Provide a summary of all previous asbestos abatement projects, which the applicant has completed or is in the process of performing. If the applicant has been the asbestos contractor for more than 15 asbestos abatement projects within the last two years, the summary need only include the 15 most recent asbestos abatement projects. This summary must include location, dates and approximate dollar value and/or number of linear/square feet of asbestos material included in the project.
	4. Financial Qualifications/Bonding – Describe the bonding or other financial assurance arrangement used by the applicant to ensure performance with the requirements of any asbestos abatement project that the applicant will undertake. This description shall include, the name and address of the bonding agency(s) used, as well as the applicant's per-job and aggregate bonding limits. If the applicant intends to use some form of financial assurance in lieu of bonding, the description shall contain sufficient details for the Agency to determine that the applicant has adequate financial resources to abate asbestos in a proper manner.
	5. Respiratory Protection Program – Attach a copy of the applicant's respiratory protection program prepared in accordance with OSHA 29 CFR 1910.134 and 29 CFR 1926.1101 to be conducted under this license. The attachment must also specify minimum qualifications that will be required of individuals conducting qualitative and quantitative fit tests.
	6. Type of Activity – Identify the type(s) of asbestos abatement activity for which you are applying. Unless otherwise specified, it will be assumed that the application is for "Removal, encapsulation or enclosure or asbestos containing materials in accordance with Part B of the Rhode Island Rules and Regulations for Asbestos Control".
	7. Contractor Registration – Please provide a copy of valid registration as a "Contractor" issued by the RI Contractor's Registration Board.

Please make a photocopy of your entire completed application for your records before mailing to the office. The office is not responsible for providing you with a photocopy of your application.
