HELLO, I’m calling for the Rhode Island Department of Health and the Centers for Disease Control and Prevention. My name is [name]. We’re gathering information on the health of Rhode Island residents. Your phone number has been chosen randomly, and I’d like to ask some questions about health and health practices.

Is this [phone number]? If “no” Thank you very much, but I seem to have dialed the wrong number. It’s possible that your number may be called at a later time. Stop

Is this a private residence? If “no” Thank you very much, but we are only interviewing private residences. Stop

I need to randomly select one adult who lives in your household to be interviewed. How many members of your household, including yourself, are 18 years of age or older?

[Number of adults]

If “1” Are you the adult?

If “yes” Then you are the person I need to speak with. Enter 1 man or 1 woman below. (Ask gender if necessary.) {Go to “correct respondent” at bottom of page}

If “no” Is the adult a man or a woman? Enter 1 man or 1 woman below. May I speak with [fill in (him/her) from previous question]? {Go to “correct respondent” at bottom of page}

How many of these adults are men and how many are women?

[Number of men]
[Number of women]

The person in your household that I need to speak with is ____________________.

{If “you,” go to page 2}

To correct respondent:

HELLO, I’m [name] calling for the Rhode Island Department of Health and the Centers for Disease Control and Prevention. We’re gathering information on the health of Rhode Island residents. Your phone number has been chosen randomly to be interviewed, and I’d like to ask some questions about health and health practices.

I won’t ask for your name, address, or other personal information that can identify you. You don’t have to answer any question you don’t want to, and you can end the interview at any time. The interview takes a short time and any information you give me will be confidential. If you have any questions about this survey, I will provide a telephone number for you to call to get more information.
[The interview may be monitored for quality assurance purposes.]

Section 20: HIV/AIDS

{If respondent is 65 year old or older, go to next section}

The next few questions are about the national health problem of HIV, the virus that causes AIDS. Please remember that your answers are strictly confidential and that you don't have to answer every question if you don't want to. Although we will ask you about testing, we will not ask you about the results of any test you may have had.

I'm going to read two statements about HIV. After I read each one, please tell me whether you think it is true or false, or if you don't know.

20.1 A pregnant woman with HIV can get treatment to help reduce the chances she will pass the virus on to her baby.
