**DEPARTMENT OF HEALTH
HEALTH SERVICES REGULATION
BOARD OF RADIOLOGIC TECHNOLOGY**

vs.

A.H. FILE NO. (HSR) 2006-051

CHRISTINA PERRY

CONSENT ORDER

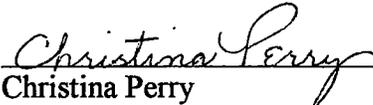

This matter is before the Rhode Island Department of Health and the Board of Radiologic Technology (hereinafter "Board") upon matters contained in an Administrative Hearing Notice issued to Christina Perry (hereinafter "Respondent") on 29 November 2006. Specifically, it was alleged that on or about 9 November 2006 the Respondent's license to practice as a radiographer was renewed by the Department. Subsequent thereto the Department received information from Warwick Medical Walk-In Room, Warwick, Rhode Island, which clearly reflected the Respondent had falsified and forged her prior license as a radiographer for the period expiring 31, July 2007. The Department's records do reflect the Respondent's license as a radiographer had expired on 31, July 2005 and that at no point prior to 9 November 2006 did the Department issue a renewed license for the period 1 August 2005 through 31 July 2007. A review of the Respondent's criminal record reflects the following: that on or about 25 May 2005 Respondent did plead Nolo Contendere to a charge of shoplifting; and that on or about 11 July 2006 Respondent did plead Nolo Contendere to a charge of shoplifting and was sentenced to probation for one (1) year and community service. That the applicant's renewal of 9 November 2006 did not reflect these charges and subsequent pleas.

Pursuant to Section 5-68-10 this conduct constitutes unprofessional conduct in the State of Rhode Island and, as such, is grounds for disciplinary action.

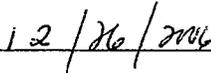

Prior to the date set for hearing, it was agreed as follows:

1. Respondent is a radiographer and able to conduct business under and by virtue of the laws of the State of Rhode Island.
2. Respondent admits to the jurisdiction of the Department and hereby agrees to remain under the jurisdiction of the Department.
3. Respondent has read this Consent Order and understands that it is a proposal of the Department and is subject to the final ratification by the Department. This Consent Order and the contents thereof are not binding on Respondent until final ratification by the Department.
4. Respondent hereby acknowledges and waives:
 - a) The right to appear personally or by counsel or both before the Department;
 - b) The right to produce witnesses and evidence in her behalf at a hearing;
 - c) The right to cross-examine witnesses;
 - d) The right to have subpoenas issued by the Department;
 - e) The right to further procedural steps except for those specifically contained herein;
 - f) Any and all rights of appeal of this Consent Order;
5. This Consent Order shall become part of the public record of this proceeding once it is accepted by all parties.
6. Respondent neither admits nor denies the allegations that form the basis for this Consent Order.
7. Failure to comply with the Consent Order, once signed and accepted, shall subject the Respondent to further disciplinary action.
8. Respondent agrees to the suspension of her radiographer license for a period of two (2) years.

9. That upon execution of this Consent Order by both parties the Respondent shall submit to an evaluation by a health care professional and then submit to the appropriate therapy as recommended by the evaluation.
10. That should Respondent comply with the requirements of this Consent Order, she may apply to the Department for reinstatement following a period of one (1) year subject to Department approval and discretion and any reasonable conditions thereto.
11. At the time Respondent seeks reinstatement of her radiographer license, she shall submit documentation to the Department evidencing that she is capable and competent to engage in the practice of radiography. Such documentation to the Department shall include, but not be limited to, evidence and reports from a health care professional, and such other information as the Department may deem appropriate at that time.
12. That should Respondent violate the terms of this Consent Order, Respondent shall be subject to further disciplinary sanctions.
13. That this Consent Order shall constitute a final disposition of the matters contained in the Administrative Hearing Notice dated 29 November 2006.
