# State of Rhode Island
## School Dental Screening Form

### Dental Screening Findings

#### Dental Treatment Recommendation
- **[ ] Your child has no obvious dental problems.** Please remember that your child should visit the dentist regularly for routine dental check-ups.
- **[ ] Your child may have dental problems that should be evaluated by a dentist.** Please schedule an appointment at your earliest convenience for a comprehensive dental examination. Your child’s dentist will decide what treatment is needed, if any.
- **[ ] Your child appears to have a need for immediate care.** Contact a dentist as soon as possible.

See [http://health.ri.gov/find/oralhealthservices/](http://health.ri.gov/find/oralhealthservices/) for help finding a dentist.
