

Social Security Administration  
Supplemental Security Income  
Notice of Change in Payment

Date: [REDACTED]

Claim Number: [REDACTED]

[REDACTED]

We plan to increase your monthly Supplemental Security Income (SSI) payment from [REDACTED] beginning January 2017. The amount will change because we increase SSI payments in January when the cost of living increased during the past year. You will continue to get the new amount each month unless there is a change in the information we use to figure your payment.

The rest of this letter explains more about your SSI payments. It also tells you how to find affordable health care.

We explain how we figured the monthly payment amount on the worksheet(s) at the end of this letter. The explanation shows how your income and your spouse's income, other than any SSI payments, affect your SSI payment. We include explanations only for months where payment amounts change.

**When You Will Receive Your Payments**

Your bank or other financial institution will receive your monthly payment of [REDACTED] around January 1, 2017, and on the first of each month after that.

**If You Work Or Want To Return To Work**

We have a program called Ticket to Work that helps people receiving disability benefits go to work. The Ticket to Work program is voluntary and won't cost you anything. If you participate in the program, employment networks or your State vocational rehabilitation agency can help you find, prepare for, and keep a job. You can find a list of service providers, benefits and work incentives counselors, and get your questions answered by contacting the Ticket helpline at 1-866-968-7842 (TTY 1-866-833-2967). You also can visit [www.choosework.net](http://www.choosework.net) and select "Find Help."
