STUDENT POSTER PRESENTATION

A collaborative effort of the RIDOH PRAMS Program and the Brown School of Public Health, with support from the RIDOH Academic Center

May 16, 2018
11:00 a.m. – 1:00 p.m.

Department of Health
Department Operations Center (DOC)
3 Capitol Hill, lower level
Providence, RI 02908

Brown MPH students use data from RIDOH’s Pregnancy Risk Assessment Monitoring System (PRAMS) to learn more about:

- Breastfeeding
- Cigarette use
- Infant safe sleep practices
- Low birth weight
- Premature birth
- Preventive dental care
- Post-partum contraception use

Stop by and talk to students about their conclusions and recommendations!
