

What is Vaccinate Before You Graduate (VBYG)?

- ◆ VBYG is a school-located vaccination (SLV) program that makes vaccines available to **all high school students** in Rhode Island at no out of pocket cost.
- ◆ VBYG works with schools and community agencies to reach youth while they are eligible for vaccines through Rhode Island's Universal Vaccines for Children Program.
- ◆ The goal of VBYG is to assist the medical community to ensure that *all youth* in Rhode Island are fully immunized against vaccine preventable diseases.
- ◆ Immunization helps reduce school absenteeism and loss of work time for parents, faculty, and staff. VBYG provides an alternate location for immunization including the uninsured.

Summary of VBYG participation

- ◆ **89** high schools & **5** middle school catch-up-clinics participated in VBYG in 2014-2015 (see back page for individual schools)
- ◆ **8,875** students participated in the program
