Memo

To: Mini Grant Application
From: Jasmine Franco, Arthritis Program Manager
Date: January 29, 2018
Re: **Expanding Walk with Ease Program**

The Rhode Island Department of Health (RIDOH) is offering mini-grants to Rhode Island organizations to expand the Walk with Ease (WWE) program. Eligible applicants are community-based organizations that demonstrate capacity to host one WWE program.

Mini grants will be offered in amounts up to \$2,000. The Walk with Ease Program may be self-directed or group led. For group led programs, the grantee is required to recruit one staff member to complete an online instructor training program, while the self-directed program does not require any staff training. Mini grant funding will be used for purchasing books, training one staff member, and staff time for marketing, recruitment, and data collection. The grantee will utilize the newly trained staff to host a minimum of one workshop by June 30, 2018.

Please submit an application and an agency W-9 by **March 23, 2018 at 4:00pm** via email to Jasmine Franco at: Jasmine.Franco@health.ri.gov. W-9 forms are required at time of submission to ensure the timely processing of grant awards. W-9 forms must be signed and dated within the past six months.

Please review and/or complete the following:

- Mini-grant Application
- Mini-grant Technical Review Scoring Sheet
- [W-9](#)

Agencies will be notified of grant acceptance within one week of the application deadline. Mini-grant activities must be completed by June 30, 2018. The program invoices must be submitted no later than 30 days after the project end date. We look forward to hearing from you regarding this opportunity.

**Rhode Island Department of Health (RIDOH)
Chronic Disease Self-Management Education Program
Expanding Walk with Ease (WWE) Program
Scope of Work**

The purpose of this mini grant opportunity is to expand access to the evidence-based Walk with Ease (WWE) Program in Rhode Island.

Program Description:

The WWE program has been proven to help people with arthritis and other chronic conditions to reduce pain, increase balance, strength, walking pace, and improve overall health for adults 18 years of age or older. Participants walk for 30 minutes, 3 times per week, in a group-led or self-directed walking program. Each awarded grantee must use grant funds to supply each participant with a Walk with Ease resource book.

Grantees will select to host one WWE as a group-led program (online training needed) or one self-directed WWE program (no online training needed) and provide an appropriate application and budget to support either program. A minimum of one workshop must be completed by June 30, 2018. The RIDOH Arthritis Program Manager and the Arthritis Foundation Representative will meet with all grantees to aid in WWE program planning and implementation.

Group-led Leaders vs. Self-directed Champions

Option 1: Group-Led WWE Program	Option 2: Self-Directed WWE Program
Online training 3-4 hours—cost - \$89.00 via AFAA	No training required—no training cost
1 staff member designated as Leader	1 staff member designated as Champion
Meets and walks with participants for 30 minutes, 3 times per week, 6-weeks. Leader tracks progress.	Participants walk independently for 30 minutes, 3 times per week, 6-weeks. Champion tracks progress. Champion not required to walk with participants.
Must lead one group by June 30, 2018	Must track one group by June 30, 2018

Group-Led Instructor—staff member will complete the Walk with Ease (WWE) Program online training offered by the Athletics and Fitness Association of America (AFAA).

- Online certification training for group-led facilitation is 3-4 hour (Cost \$89.00)
<https://www.afa.com/courses/arthritis-foundation-walk-with-ease>
- Training will provide all the necessary resources and education necessary for leaders to host a WWE group-led program for 30 minutes, 3 times per week, for 6-weeks following the training.

Self-Directed Programs—do not require an online trained instructor. In this case, the grantee will designate a *champion* within the organization who will recruit participants and track participant progress for 30 minutes, 3 times per week, for 6-weeks.

- Progress can be tracked using the walking tracker in each participant's resource book and an excel spreadsheet.

Budget—funds are to be spent on the following:

- Online Walk with Ease Instructor Training (\$89) (for group-led only)
- Participant Walk with Ease resource books (\$4.95 each to be ordered through the Arthritis Foundation)
- Staff time for marketing/recruitment/data collection

Marketing - Outreach – Recruitment

- The grantee is required to develop a strategy to expand the Walk with Ease Program hosted at their site.
 - This may include posting flyers in surrounding communities.
- All outreach strategies must be approved by the Arthritis Program Manager at the Rhode Island Department of Health (RIDOH) before planned and conducted.
- WWE programs are to be planned with the Arthritis Program Manager and Chronic Disease Self-Management Education Program Coordinator at RIDOH.

* It is not, required to develop marketing materials. Posters and flyers can be provided by RIDOH.

* Funds cannot be used for the purchase of food, beverages, or incentives.

*Participant books must be ordered through the Arthritis Foundation. The Arthritis Program Manager and Arthritis Foundation Representative will provide technical assistance to ordering books once granted.

**Division of Community Health & Equity
Chronic Disease Self-Management Education Program
2018 Mini-Grant Application Form**

Instructions: Please read through each of the following section prompts and complete either in the given template or in another document.

SECTION I: AGENCY CAPACITY (10 points)

Briefly describe your organization and your organization's experience in providing services, support, and engagement with the adults in RI communities. Describe your organization's previous experience with health and wellness programs focused on addressing improved quality of life and achieving health equity.

SECTION II: SCOPE OF WORK & SUSTAINABILITY (20 points)

Provide a summary of the proposed project and project goals. Discuss plans on how the project and/or related activities will be sustained after funding ceases. If you have previously received funding from the RI Arthritis Program or Chronic Disease Self-Management Education Program to carry out this or a similar program, please describe your success in achieving the outlined aims and goals. What were other sources of funding (if any)?

SECTION III: PERSONNEL (10 points)

Describe who will work on the project and their past experience working in this area.

SECTION IV: Work Plan (30 points)

Map out your plan below for increasing awareness and engaging participants in the Walk with Ease (WWE) Program. Identify how you will embed the program into your organizations daily activities. Include how you will promote the program and recruit participants. Your workplan should include where the walks will be held, the anticipated dates of your first 6-week program, as well as any other steps that will be taken to ensure participation in the WWE Program.

SECTION V: BUDGET NARRATIVE (25 points)

Please briefly describe your proposed budget expenses for this project. The maximum allowable budget for this project is \$2,000 Note: Due to federal budget restrictions, mini-grant funds may not be used for the purchase of food, beverages, or incentives.
