Question #2: I’ve been asked to apply on behalf of EBCAP for the Seal RI! program. However, I notice that EBCAP was awarded a Seal RI! grant last year, so I’m thinking that I will be applying to renew our grant, rather than submit a new proposal. Is the process the same for both new applications and renewals, or, if not, what do I need to do to apply for a renewal?

Answer: **This is a new CDC five-year grant with a new solicitation opportunity. Your agency needs to submit a new proposal for the new solicitation opportunity.**

Question #3: As I read the RFP, it sounds like the technical proposal can’t exceed 10 pages, including the narrative, cover sheet, forms, budget, MOU contracts and agreements, letters of commitment and Work Plan, but excluding appendices, table of contents and resumes. Do I have that right, or is it just the narrative that has a ten-page limit?

Answer: **Please note that there is an error on page 11 of the RFP. The language should read: Page limit is 10 single-sided pages not including the Cover Sheet, Forms, Budget, Memorandum of Understanding (MOU), Contracts and Agreements, Letters of Commitment, and the Work Plan.**
