CERTIFICATION

I hereby certify that:

(1) All information in this registration certificate is true and complete.

(2) The registrant has developed and will maintain procedures designed to establish physical control over the depleted uranium and designed to prevent transfer of such depleted uranium in any form, including metal scrap, to persons not authorized to receive the depleted uranium.

(3) I understand that Agency regulations require that any change in the information furnished by a registrant on this registration certificate be reported to the Administrator within 30 days from the effective date of such change.

(4) I have read and understand the provisions of C.4.1(e), and I understand that the registrant is required to comply with those provisions as to all radioactive material received, acquired, possessed, used, or transferred under the general license for which this registration certificate is filed with the Agency.
