Vaccinate before you Graduate

Annual Report: August 2022

What is *Vaccinate Before You Graduate (VBYG)*?

- VBYG is a school-located vaccination program that administers eleven (11) important vaccines to Rhode Island middle and high school students.
- Vaccinations are provided to students during the school day at clinics held throughout the year.
- There is no out-of-pocket cost for vaccines administered through the program.
- Vaccinations help reduce school absenteeism and loss of work time for parents.

Summary of your school's 2021-2022 *Vaccinate Before You Graduate* participation

Your school was the only school to participate in
students participated from your school, out of a total for
vaccines were administered at your school, out of a total for

Table: Number of Doses Administered in Your School by Vaccine Type
