BOARD OF NURSING REGISTRATION AND NURSING EDUCATION**

**IN THE MATTER OF: AMANDA ADJOVU
LICENSEE NO.: LPN10893
COMPLAINT ID #: C23-1149B**

CONSENT ORDER FOR REPRIMAND

Pursuant to § 5-34-25 of the Rhode Island General Laws and sections 216-RICR-40-05-3.14 and 216 RICR -10-05-4 of the Rhode Island Code of Regulations, a complaint (the “Complaint”) was filed with the Board of Nurse Registration and Nursing Education (the “Board”), charging Amanda Adjovu (the “Respondent”), a licensed practical nurse (license LPN10893), with a violation of Chapter 5-34 of the General Laws of the State of Rhode Island.

After review and consideration by the Board with respect to the allegations of unprofessional conduct of Respondent, the following are and shall constitute:

FINDINGS OF FACT AND CONCLUSIONS OF LAW

1. That Respondent is a licensed practical nurse licensed to practice in the State of Rhode Island under License Number LPN10893.
2. That on or about November 14, 2023, the Respondent was employed at a long-term care facility located in Rhode Island.
3. That on or about November 17, 2023, Rhode Island Department of Health (RIDOH) received a complaint alleging the Respondent’s medication cart was found unlocked in the medication room with multiple insulins, wound dressings and miscellaneous ointments in twenty (20) small cups that were labelled with room numbers and times. The Complaint further stated that the Respondent admitted to giving the medication aide controlled substances to administer to residents, which is not within their scope of practice.
4. That on May 13, 2024, an Investigative Committee (IC) of the Board reviewed the allegations and relevant evidence, including the Respondent’s response to the allegation. The IC determined that the Respondent was guilty of unprofessional conduct by signing off medical records indicating they administered the medications to the residents when in fact they were pre-poured and administered by the medication aide. Additionally, the IC determined that the Respondent was guilty of unprofessional conduct by bulk preparation of insulins, wound dressings, and ointments.

5. That the conduct described in paragraphs three (3) and four (4) herein constitutes unprofessional conduct as defined in Rhode Island Gen. Laws §§ 5-34-24(6)(ii) and (v).

AGREEMENT:

The Board and Respondent (together, the "Parties") hereby agree as follows:

1. That Respondent admits to the jurisdiction of the Board and hereby agrees to remain under the jurisdiction of the Board.
2. That Respondent has read this Consent Order and understands that it is a proposal of an Investigative Committee of the Board and is subject to final ratification by the Board. This Consent Order and the contents herein are not binding on Respondent until final ratification by the Board.
3. Respondent hereby acknowledges and waives:
 - a) The right to appear personally or by counsel before the Board;
 - b) The right to produce witnesses and evidence on their behalf at a hearing;
 - c) The right to cross-examine witnesses;
 - d) The right to have subpoenas issued by the Board;
 - e) The right to further procedural steps except for those specifically contained herein;
 - f) Any and all right of appeal of this Consent Order;
 - g) Any objection to the fact that this Consent Order will be presented to the Board for consideration and review;
 - h) Any objection to the fact that it will be necessary for the Board to become acquainted with all evidence pertaining to this matter in order to adequately review this Consent Order;
 - i) Any objection to the fact that the Board reviewing this Consent Order may be the same as the hearing committee presiding over this matter should it later be brought to an administrative hearing.
 - j) Any objection to the fact that potential bias against the Respondent may occur as a result of the presentation of this Consent Order to the Board.
4. This Consent Order shall become part of the public record of this proceeding once it is accepted by all parties and accepted by the Board.
5. Respondent's acceptance of this Consent Order constitutes an admission by Respondent that the Board's factual findings and legal conclusions, as contained herein, are accurate and correct.
6. Respondent voluntarily agrees to accept the sanction of a Reprimand against their license as a licensed practical nurse.
7. That should Respondent fail to comply with the laws and regulations governing the practice of nursing and/or fail to comply with the terms of the Consent Order, their license as a licensed practical nurse may be subject to other appropriate disciplinary action.

DISPOSITION OF THE COMPLAINT:

Accordingly, and based on the foregoing, the Parties hereby agree to the following disposition of the Complaint:

1. That Respondent is hereby issued the sanction of a Reprimand.
2. That this Consent Order shall become part of a public record of this proceeding.
