After review and consideration by an Investigating Committee of the Board with respect to the allegations of unprofessional conduct of Respondent, the Board has made the following:

  - i. Any objection to the fact that the Board reviewing this Consent Order may be the same as the hearing committee presiding over this matter should it later be brought to an administrative hearing;
  - j. Any objection to the fact that potential bias against the Respondent may occur as a result of the presentation of this Consent Order to the Board.
4. This Consent Order shall become part of the public record of this proceeding once it is accepted by all parties and accepted by the Board.

5. Respondent's acceptance of this Consent Order constitutes an admission by Respondent that the Board's factual findings and legal conclusions, as contained herein, are accurate and correct.
6. Respondent voluntarily agrees to accept the sanction of a Reprimand against her license as a registered nurse.
