RE: Board of Nurse Registration and Nursing Education
RN10-096
RN32015

Dear Mr. Ficorilli:

On March 9, 2015, the Board of Nurse Registration and Nursing Education (Board) reviewed the supporting documentation relative to the Order of the Board, dated January 27, 2010. The Rhode Island Department of Health has concluded that you have met the terms of the Consent Order. As such, your license is fully reinstated without any conditions or restrictions.

This matter is now considered closed.

Sincerely,

Jane Morgan
Counsel for the Board

Board of Nurse Registration and Nursing Education
