COMPLAINT NUMBER C24-0104**

CONSENT ORDER

Pursuant to Rhode Island General Laws § 5-19.1-21 and the Rules and Regulations promulgated thereunder, the Department of Health (Department), Board of Pharmacy (Board) has investigated a complaint charging Kayla Babcock, RPh, (hereinafter "Respondent"), with violations of R.I. Gen. Laws § 5-19.1 and the Rhode Island Rules and Regulations Pertaining to Pharmacists, Pharmacies and Manufacturers, Wholesalers and Distributors, 216 RICR 40-15-1 ("Pharmacy Regulations"). After consideration by the Board and the Department, the following constitutes the findings of fact with respect to the professional performance of the Respondent:

1. That Respondent is licensed as a registered pharmacist in the State of Rhode Island and holds license number RPH05777.
2. That R.I. Gen. Laws §5-19.1-20 and section 40-15-1.4.17 of the Pharmacy Regulations require that all licensed pharmacists comply with continuing education requirements as a condition of license renewal.
3. That Respondent renewed her license as a registered pharmacist for the licensing period of July 1, 2022 to June 30, 2023 and answered "yes" in response to the statement "I have completed all applicable CE (continuing education) requirements for this renewal period as stated in the Rules and Regulations for my profession."

4. That a routine audit conducted by the Department demonstrated that the Respondent failed to complete continuing education requirements in violation of R5-19.1-PHAR-7.4.
5. That the foregoing facts constitute unprofessional conduct in violation of R.I. Gen. Laws § 5-19.1-21.

Based on the foregoing, the parties agree as follows:

1. Respondent is a registered pharmacist and can conduct business under and by virtue of the laws of the State of Rhode Island.
2. Respondent admits to the jurisdiction of the Department and hereby agrees to remain under the jurisdiction of the Department.
3. Respondent has read this Consent Order and understands that it is a proposal of the Department and is subject to the final ratification by the Department. This Consent Order and the contents thereof are not binding on Respondent until final ratification by the Department.
4. Respondent hereby acknowledges and waives:
 - a) The right to appear personally or by counsel or both before the Department;
 - b) The right to produce witnesses and evidence in her behalf at a hearing;
 - c) The right to cross-examine witnesses;
 - d) The right to have subpoenas issued by the Department;
 - e) The right to further procedural steps except for those specifically contained herein;
 - f) Any and all rights of appeal of this Consent Order;
 - g) Any objection to the fact that this Consent Order will be presented to the Department for consideration and review;
 - h) Any objection to the fact that it will be necessary for the Department to become acquainted with all evidence pertaining to this matter in order to adequately review this Consent Order;

- i) Any objection to the fact that the Department reviewing this Consent Order may be the same as the hearing committee presiding over this matter should it later be brought to an administrative hearing; and
 - j) Any objection to the fact that potential bias against the Respondent may occur because of the presentation of this Consent Order to the Department.
5. This Consent Order shall become part of the public record of this proceeding once it is accepted by all parties and accepted by the Department.
 6. Acceptance by the Respondent and approval by the Department of this Consent Order constitutes an admission of the facts contained herein.
 7. Respondent hereby agrees to this Reprimand of his registered pharmacist license.
 8. Respondent shall obtain an additional ten (10) live continuing education credits and twenty (18) non-live continuing education credits by 12/31/2024, in addition to the fifteen (15) credit hours of continuing education required under R5-19.1-PHAR-7.4.
 9. That should Respondent violate the terms of this Consent Order, Respondent shall be subject to further disciplinary sanctions.
