

Certification of Public Water System Emergency Response Plan

Transient Non-Community Public Water Systems

Part (A): Public Water System Identification

Public water system name: _____

Public water system complete mailing address: _____

Public water system identification number: _____

Population served: _____

Part (B): Certification Date

Date of the certification: _____

Part (C): Certification Statement

I, *[Name of certifying official]* _____ hereby certify that an emergency response plan (hereafter, Plan) has been developed for the public water system named under Part A and is in compliance with the requirements of § 1.9.9 of the Rhode Island Department of Health Drinking Water Regulations (216-RICR-50-05-1). This Plan will be maintained, will be updated as is necessary to incorporate changes and at a minimum interval of every five years, and will be implemented to mitigate the effects of applicable hazards. By checking off and signing below, I attest that the Plan includes:

- Names, telephone numbers, and email addresses for the PWS owner and all other emergency contacts that will be responded to twenty-four (24) hours a day, seven (7) days a week;
- Names and telephone numbers for external emergency contacts including the Department of Health, Department of Environmental Management, police, and fire;
- Procedures for notification of emergency contacts;
- Emergency public notification procedures and templates;
- A list of immediate actions to be taken during emergency situations;
- Written plans for ensuring all personnel have knowledge of the Plan, its location, and the emergency procedures outlined in the Plan;
- Updates from recent, significant changes to the systems and operations and maintenance procedures;

- Acknowledgement that the PWS will report to RIDOH within seventy-two (72) hours of contact info change; and
- Designation of Plan storage location that will remain readily accessible in the event of an extended emergency.

I attest to the accuracy of the above and certify that it is in compliance with 216-RICR-50-05-1.9.9,
