Positive COVID-19 Test Result

You have tested positive for COVID-19. It is very important that you isolate from other people, so they don't get sick. You need to stay home for at least 10 days, even if you don't have symptoms, starting now. In addition, your close contacts (for example, the people you live with) will need to quarantine and also stay home. If you need assistance to be able to stay home, there is help available for you.

Call the BeatCOVID Hotline at **1-855-843-7620** for:

- Food assistance
- Food delivery
- Delivery of supplies such as masks, cleaning supplies, hand sanitizer
- Employment assistance
- Utilities assistance
