At [C19VaccineRI.org](https://C19VaccineRI.org), you can use the Vaccine Site Locator to find a clinic where you can get vaccinated right now. This tool will also tell you what vaccine types are available and how to make an appointment.

You can get vaccinated at most sites without an appointment! But if having an appointment is convenient for you, you can do that at [C19VaccineRI.org](https://C19VaccineRI.org).

If you need help over the phone, call **844-930-1779**.

**Need more options?** At [C19VaccineRI.org](https://C19VaccineRI.org), you can get information on vaccines offered at retail pharmacies like CVS and Walgreens.
