

Have a safe, healthy, and fun summer in the Ocean State

Easy ways to get tested and vaccinated
while enjoying all that Rhode Island has
to offer

Welcome to summer in Rhode Island – with great beaches, amazing seafood, a harbor cruise, a round of golf, and maybe even a COVID-19 test or vaccination! Whether you are traveling from out-of-state or are a Rhode Islander enjoying a staycation, **getting vaccinated for COVID-19 can help protect you, your family, and others around you as we all gather again to enjoy the summer of 2021!**

Get vaccinated for COVID-19 while staying in Rhode Island.

- **Getting vaccinated is a great way to enhance your stay in Rhode Island. The vaccines are safe, highly effective against serious illness, and reduce the risk of infecting others.**
- Rhode Island has a range of convenient options for getting vaccinated while staying in our state, and you can get vaccinated for free.
- Visit **C19VaccineRI.org** to find a COVID-19 vaccine site near where you are today. You can choose which vaccine type you'd like to get. You do not need an appointment at most places. And it is ok even if you track in a little sand along the way!

Eligibility

Anyone age 12 or older who visits or lives in Rhode Island can get a free COVID-19 vaccine.

For more information, visit C19VaccineRI.org, email RIDOH.COVID19Questions@health.ri.gov, or call 844-930-1779 or 2-1-1.

Take advantage of convenient COVID-19 testing locations.

- If you are interested in getting a COVID-19 test, please know that Rhode Island offers free COVID-19 testing at convenient locations throughout the state.
- For a list of locations that test out-of-state travelers, visit covid.ri.gov/travel.

Enjoy your time here in Rhode Island, and when it's time to pack up and head home, wherever that may be, think of all the great memories you have created, including doing your part to stay safe and healthy.
