**Vision:** The Community Health Workers (CHWs) Strategy Team envisions thriving and healthy Rhode Island communities that partner with an equity-focused strengths-based health and social service system integrating leadership and sustainability of CHWs.

**Mission:** To act as a liaison between CHWs, CHW employers, and policy makers to champion and align varying goals and interests, including:

#### **Workforce Development**

- Cultivation of the CHW Supervisor role
- Reciprocity
- Educational pathways
- Employment pathways

#### **CHW Advocacy**

- Race and ethnicity equity
- Disabilities
- Education on CHW roles
- Interstate, regional, and national CHW association collaborations
- CHWs advocating for communities' needs

#### **Sustainability**

- Payment strategies
- Advocating for sustainability of the CHW professions

#### **Interagency Collaboration**

- Care coordination
