# How to Report COVID-19 Results to RIDOH

**INDIVIDUALS: People who used a self-test at home** should submit the result to RIDOH through the **portal.ri.gov/s/selftest** or by downloading the 401Health app in the **Apple Store** or **Google Play**.

**HEALTHCARE PROVIDERS: Healthcare providers who offer rapid tests to their patients onsite\*** should report positive results to RIDOH within 24 hours. If you need help reporting your patient results, please **email us here**.

*Test results processed through laboratory systems are automatically reported to RIDOH.

**OTHER SETTINGS: All other settings that offer rapid tests onsite** (e.g., long-term care settings, group homes, shelters, corrections and detention facilities, institutes of higher education, pre K-12 schools, and child care providers) should also report test results.

- For information about how to access the respective point-of-care results portals for these special settings, **email us here**.
- New users will require login credentials as well as initial training.
