

## Companies Offering Translation and Interpretation Training

*This document provides information about companies offering translation (written communication) and/or interpretation (oral/signed communication) certification and training for medical and general settings. The document includes information about available programs, fees, and contact information for each company and uses symbols to describe the services offered. Contact companies directly for more information. The Rhode Island Department of Health (RIDOH) is providing this list for informational purposes, based on data provided by third parties. This list contains hyperlinks to other websites. Please be aware that RIDOH does not endorse any of the resources and has no known financial arrangements that might conflict with including any of them in this list. Further, RIDOH is not responsible for the content or privacy practices for those websites.*
