

Rhode Island's **PSYCHIATRY RESOURCE NETWORKS** for Professionals

Are you a healthcare professional treating pregnant, postpartum, or pediatric patients?

Do you ever need to consult with a psychiatrist about your patients' mental health and/or substance use?

Rhode Island offers statewide real-time clinical teleconsultation and referral services for you.

What can I use the Psychiatry Resource Networks for?

When you call one of the PRNs, you can speak with specialized behavioral health experts from Women & Infants Hospital and Bradley Hospital for guidance on:

- **Diagnosis**
- **Treatment Planning**
- **Medication Safety**
- **Referral Support Finding Resources and Services**
- **Health Professional Trainings**

NOTE: These networks do not provide direct treatment or prescribe medication; they are not crisis or a patient-facing phone lines.

Healthcare professionals and community-based staff are welcome to call these free service lines five days a week for real-time assistance:
