

I speak Tigrinya. Please arrange for a qualified interpreter to help me communicate and note my interpretation needs for future visits.

By law, institutions, including those receiving federal funds (Medicaid, Medicare, SNAP), must provide a qualified interpreter as needed at no cost to the client or patient. This ensures equal access to public services at places like hospitals, doctors' offices, schools, and government offices.

To learn more or make a complaint:
Call **401-222-5960** / RI Relay 711,
email **RIDOH.CLAS@health.ri.gov**,
or visit **Health.RI.Gov/CLAS**.
