

**I speak Haitian Creole. Please arrange for a qualified interpreter to help me communicate and note my interpretation needs for future visits.**

By law, institutions, including those receiving federal funds (Medicaid, Medicare, SNAP), must provide a qualified interpreter as needed at no cost to the client or patient. This ensures equal access to public services at places like hospitals, doctors' offices, schools, and government offices.

**Sèvi ak kat sa a pou ka mande yon entèprèt lè w remèt li bay moun k ap ede w la.**

Dapre lalwa, enstitisyon, ki gen ladan moun k ap resevwa lajan federal (Medicaid, Medicare, SNAP), dwe bay yon entèprèt kalifye jan sa nesesè gratis pou kliyan an oswa pasyan an. Sa garanti aksè egal a sèvis piblik nan kote tankou lopital, biwo doktè, lekòl, ak biwo gouvènman an.
